

Science

Last year, we asked you why science was important and what you believed it offered our children. From your responses, and following discussions with pupils, staff and governors, we developed our science principles for Willand School.

To help us to continue to develop science education at Willand School, please can you complete the short survey below.

COVID-19 Test and Trace

We have received updated information about when to contact the school to report cases over the Christmas period.

Where a pupil tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

However, this means that if your child should test positive before 3.30pm on Sunday 20th December please email the school at admin@willand.devon.sch.uk after this you will need to contact NHS Test and Trace and follow the instructions that they give you. For the first 6 days after the end of term, the school will be assisting them with tracing contacts, so if you are asked to notify the school please do this by email. Miss Hawkins and Mrs Hills will be checking the emails between 9am and 10am each day up until 24th December, and will then contact the relevant families if necessary.

Where pupils are required to self-isolate due to contact with a positive case after the first 6 days following the end of term, schools do not need to be informed about their absence until the first day of the new term.

Change in isolation time from 14 to 10 days.

We have been asked to advise you that following the latest announcement by the Government the isolation time for anyone testing positive for Covid has been cut from 14 to 10 days. This may be relevant to you in the holidays.

Outstanding Lunch Money

Can we remind you that lunches need to be paid for in advance. Please ensure that all outstanding lunch monies owed are paid before the end of this term. Thank you.

Spring Term

Children should return to school on Tuesday 5th January 2021 at the start of the Spring Term.

Do you think you might be experiencing domestic abuse?

It's never easy to come to terms with the fact that you may be experiencing domestic violence and abuse. Unfortunately, it doesn't help that domestic abuse could take a number of different forms. It is worth remembering that physical violence is only one type of domestic abuse. At Willand School, we can offer support for those experiencing domestic abuse. Please ask to speak to Miss Leather or Mrs Clara Rose through the school office.
