

**Social distancing**

Please can you make sure that you are maintaining social distancing at drop off and pick up times. We have had complaints from some parents about others not staying in line or not standing back when they have dropped their children off. Also, sometimes other children who have waited patiently have been barged at pinch points on paths and gates. Please just be patient we are getting the children in and out as quickly as possible.

**V Tech toy watches**

Children may only wear normal analogue or digital watches to school. We have had a few children wear V tech watches to school recently with games on them. Whilst we see the appeal, they are distracting in class so please can parents ensure children are keeping them for after school or the weekends and not wearing them in school. Many thanks.

**Parking**

Can you please be mindful when parking in the village hall car park. We have had parents complaining about cars being parked by the entrance of the car park and not in designated spaces. This causes hazards and a build-up of traffic in the car park.

**Comic Relief**

This Friday is Comic Relief. In school, children will be learning a dance routine for an in school dance competition which will be performed on the day! Children can come to school in non-uniform, wearing an item of red clothing (if they have something). We will also be holding a collection to raise money for Comic Relief.

**Medical Appointment**

If your child has a medical appointment first thing in the morning but will want a school lunch on their return please inform the office in advance, with their choice of meal.

**We are on the race count down!**

It is 5 days to go till our Hearts of Hope virtual balloon race starts! We are super excited to see all the children's, their families and our staff balloons take off and race across the finish line!
