

School Lunches

Just a reminder that the Dinner Money Arrears Policy says that for accounts that are in debt by £15 or more the school will ask you to provide your child with a packed lunch until the debt has been cleared. This is the total amount owing for the family, not for individual children. If you request further lunches without clearing the account your child will be given a school packed lunch for which you will be charged the full lunch price, which is currently £2.40.

I would like to take this opportunity to remind you that all lunches must be paid for in advance.

Holiday Activities and Food (HAF) Programme

The aim of the Holiday Activity and Food (HAF) programme is to support children to eat more healthily, be more active over the school holidays and have a greater knowledge of health and nutrition as well as be more engaged with school and other local services.

Priority places will be given to children aged 5-16 years (including 4-year-olds if in Reception) who are eligible for and receiving benefit related free school meals, and their families

See <https://www.devon.gov.uk/educationandfamilies/document/easter-2022> for more information and to book a place.
