

## Learning for Life

16<sup>th</sup> June 2021 Issue 31

### Mrs James

Following her son's complex operation Mrs James will not be in school to teach YRM for at least the next two weeks as she needs to be at home to care for him. We have been fortunate to secure Mrs Bryant to continue to work with the class.

### Year 3 Friendship Group Survey

We have decided that the Year 3 children will be mixed to form the new Year 4 classes for next year to create a better balance of gender and ability. We want to ensure that each child is with at least one of their friends so, after discussing it with your child, please click on the link below and complete the online form, giving the names of up to three other pupils that are in their friendship group.

### Personal, Social, Health and Economics Education (PSHE)

This is to remind you that across the school this half term we will be teaching the 'Changing Me' unit in our PSHE lessons. Please read our PSHE and Relationships and Sex Education (RSE) policies, which are available on the school website, so you are aware of what is going to be taught in each year group. Parents cannot withdraw their children from any statutory lessons, which applies to children in Reception to Year 4 but can withdraw their children from any lessons pertaining to human reproduction, which is covered in Years 5 and 6. If you have any questions or wish to withdraw your child, please speak to your child's class teacher in the first instance.
