

KS1 Phonics Screener and Year 4 Multiplication Check

Well done to all KS1 children who have completed their phonics screener this week. We are proud of how hard they have worked all year to develop their phonic and reading skills.

Well done also to Year 4 pupils who have completed their multiplication check. We have been so impressed with their dedication to learning their tables this year, we have seen strong competition on TT Rocks stars!

The Current National figure for comparison is 94.7%

Playground Update:

After nearly 18 months of planning and fundraising I have finally signed off the quote for the new trim trail for the KS2 playground. We are hoping for it to be fully installed by October.

This project has been an amalgamation of work from school council, myself and our wonderful PTFA. None of this would have been possible without the support of our school community supporting the PTFA over the last year. We are truly thankful to everyone who has been involved or supported us.

*Thank you for your
continued support

Online Safety –

'Wake Up Wednesday'

Attached are the latest top tips from the National College. This week's theme is ...

'Ofcom Media Report'

79% of 3–17-year-olds now have a social media profile and many include public photos. Ofcom's 2025 report reveals young people's increasing use of online spaces.

The latest Media Use and Attitudes Report from Ofcom is essential reading for educators and parents. Our new #WakeUpWednesday guide pulls out the key findings – from livestreaming and gaming to screen time and safety lessons in school.

With children navigating digital spaces from ever-younger ages, staying informed is crucial. This guide provides an update on the latest trends, activities and behaviours of children and young people online, identifying risks so that schools and families better understand where to focus preventive measures and support.

As always, if you have any questions relating to online safety, please contact Mrs Maynard (Online safety Lead)

Safeguarding Information –

Connecting You – Fear Free

[Connecting You](#) is an online forum where people who have experienced abuse can meet anonymously. When you join you'll be able to share your experiences and meet other people who are on their healing journey. Connecting You is an inclusive space open to all survivors aged over 18 years who live in the South West. This is a pilot phase of this initiative that may be supportive for parents or family members impacted by domestic abuse.

PTFA NEWS

Hi Everyone!

Our next event is the school fete which is happening on Friday 4th July 3.30-5.30pm. We hope to see as many of you there as possible. We are on the hunt for a select few crafters to sell their goods at the fete. Please contact willandschoolptfa@gmail.com if you are interested in more information or if you are willing to help out.

We have arranged a non uniform day on the Friday in exchange for a tombola prize. We were so over whelmed with all the prizes for the Christmas bingo and hope to achieve a similar response this time. We are asking for a chocolate donation to be brought in on Friday 4th July. More details will follow.

Thank you for your ongoing support.
