

Wrap Around Care

Following our recent parent survey and the government commitment to providing wrap around care for primary aged pupils, the governors and I, working with Willand Pre-school are excited to announce our offer.

From September 2024 Willand Pre School will only be accepting Reception and Year 1 children for Breakfast and Afterschool club sessions.

Kids Holiday Heroes, a private company, which currently offers holiday club provision on site at Willand Primary School will be expanding to offer wrap around care for children in years 2 to 6. We all feel that this is a positive step into ensuring that we are able to increase the offer of wrap around care provision for our pupils.

For details of booking your child into the provision at Willand Pre-School please contact Claire Davey

manager@willandpreschool.org

For details of booking your child into the Kids Holiday Heroes provision see details on this newsletter.

Staffing structure for September 2024

This year we have made some changes to the staffing structure of the school; we have done this using our knowledge of the needs of the different year groups and by consulting with staff.

Changing staff across the school enables us to professionally develop their skills, give them the chance to work with different people and in different contexts. Within this staffing structure you will notice that two of our longest serving teaching assistants are not listed, Both Mrs Julie Davison and Mrs Jane Wilcox will be retiring at the end of this term. Both ladies have provided exceptional support to the children and staff of the school for many years, we wish them long and happy retirements, we are truly thankful to have had them on our team.

Details of which class your child will be in will be sent home with the annual report on 12th July.

Online Safety – 'Wake Up Wednesday'

Attached are the latest top tips from the National College. This week's theme is

'Fair Play and Friendly Competition'

According to Statista, 69% of children currently engage in competitive sport, either in or out of school 🏆🏀 Thanks to the Euros, it's very possible that percentage will see an uptick in the coming weeks. Enjoying sport and revelling in healthy competition can have a fantastic impact on children's development – but when presented with the idea of winning side 🏰 emotions can sometimes run high, and feelings can be hurt 💔

A healthy approach to any kind of game or contest – not just the sporting variety – is an important quality to teach to children and young people; and our #WakeUpWednesday guide can help you to do that. Our list of expert tips explains how to emphasise the value of playing fair and dealing with both victory and defeat in a reasonable, mature manner.

As always, if you have any questions relating to online safety, please contact Mrs Maynard (Online safety Lead)
