

School Cycle Permit for Willand School

Cycling to School - Important Notice to Parents

Willand School wishes to encourage an increase in the numbers of pupils that cycle to school. However, the decision as to whether your child is competent to negotiate such hazards as present themselves on the route from home to school and back must be yours and yours alone. Willand School does not accept any liability for any consequences of the decision.

Willand School supports pupils who wish to walk and cycle to school since it improves their health and fitness, reduces traffic outside school making conditions safer for everyone and it benefits their general development. If you wish your son/daughter to cycle to school please complete the form overleaf. It is important we know the numbers of children cycling to school on a regular basis in order that we can make the appropriate security and safety arrangements.

Parents are advised to take out appropriate insurance cover or check their home insurance policy, as the school's insurance does not cover loss or damage to bicycles.

Cycle Helmets

Pupils are advised to wear a correctly fitted cycle helmet and use appropriate reflective or fluorescent clothing.
