

# Year 5 Overview Autumn 2024

	In class your child will....	At home you could.....
<b>Science</b>		
<b>Earth and Space</b>	Learn about the shapes and relative sizes of the Earth, sun and moon. Use models to learn how the three bodies move relative to each other and how these movements relate to night and day.	<i>Look at the night sky. Can you spot any constellations? Research your star sign. Explore the <a href="http://www.esa.int/esaKIDSen/Arewealone.html">http://www.esa.int/esaKIDSen/Arewealone.html</a> website and learn more about space.</i>
<b>Forces</b>	Learn that weight is a force measured in Newtons and be able to illustrate forces acting on an object. Learn to use a forcemeter to measure forces. Present measurements in tables/graphs and be able to explain their findings.	<i>Fly a kite or go swimming and discuss the forces involved. Make your own forcemeter. Design your own parachute to get your teddy safely to the ground.</i>
<b>Computing</b>		
<b>Film Making</b>	Plan and write a script using appropriate software. Search for relevant information using appropriate websites. Use a digital video camera (or similar device) to record; Plan suitable questions to ask an interviewee. Import video files into video editing software.	<i>Practise some interviewing at home - this could involve video recording, audio recording, photographing or just planning written questions and making notes of answers. List your top tips for interviewing or camera operating. Look at the end credits of a film or TV programme. List some of the roles and think about what responsibilities you may have and which role you would be best at.</i>
<b>Digital Citizenship</b>	Understand what it means to be a 'super digital citizen' and do the right things online and with technology. Understand how to be kind to others online. Understand how to know if websites are reliable and trustworthy.	<i>When using the internet safely, look out for privacy policies and privacy seals of approval. Are they easy to find? Look together at your devices at home – Is safe search enabled? Open a website or app that has a 'chat' feature. If you don't use them, ask a family member to help you. Find the choices about blocking or reporting a person.</i>
<b>Religious Education</b>		
<b>What does it mean for Christians to believe that God is the Messiah?</b>	Understand the place of Incarnation and Messiah for Christians within the 'big story' of the bible. Show how Christians put their beliefs about Jesus' Incarnation into practice in different ways in celebrating Christmas. Discuss why Christians believe the world needs a 'Saviour'.	<i>Think about things that are happening in the world at the moment e.g. through watching Newsround. Discuss what a person or a 'Saviour' saving the world might be able to do right now to help.</i>
<b>What does it mean to be a Muslim in Britain today?</b>	Identify and explain Muslim beliefs about God, the Prophet*, and the Holy Qur'an Describe ways in which Muslim sources of authority guide Muslim living (e.g. Qur'an guidance on Five Pillars; Hajj practices follow example of the Prophet) Make connections between Muslim beliefs studied and Muslim ways of living in Britain/ Devon. *Note: Many Muslims say the words 'Peace be upon him' after saying the name of the Prophet Muhammad	<i>There are three different Muslim groups: Sunni; Shi'a; and Sufi. Find out how many Sunni/Shi'a/Sufi mosques there are in our area. What sources of authority guide your lives? Discuss what is important to you as a family.</i>

History		
<b>Anglo-Saxons</b>	Who were the Anglo-Saxons and where did they come from? What happened in ad 410 (The Sacking of Rome). Why did the Anglo-Saxons not want to live in Roman towns and cities? The conversion of Anglo-Saxons to Christianity. What does Sutton Hoo tell us about the Anglo-Saxon world?	<i>Design an Anglo-Saxon shield. Research Wodin (the King of the Anglo-Saxon Gods). Read the story of Beowulf (there is a version by Michael Morpurgo).</i>
<b>Vikings</b>	What the Vikings wanted in Britain and how King Alfred helped to stop them getting it. Identify where the Vikings came from on a map. The significance of the Viking attack on Lindisfarne in ad 793. Write a Viking saga. Understand why the design of longships was so important to the Vikings.	<i>Write coded messages or your name in runes. Make a Viking model (longship, longhouse, jewellery, etc.) Read some Viking Sagas. Research the Viking Gods.</i>
Design Technology		
<b>Bread making</b>	Learn about different types of bread and sample them, using what they have learnt to design their own bread. Have a go at baking their own bread through mixing ingredients, kneading, leaving to rise and cooking in the oven.	<i>Think about the types of bread you are eating at home. Help out with the cooking at home.</i>
Art		
<b>3D Collaborative Art</b>	Improve their mastery of drawing, painting and 3-dimensional shaping techniques to create a sculpture piece. We will be learning about and creating installation art, particularly focusing on the work of Cai Guo-Qiang.	<i>When out and about, look for examples of 3D art (sculpture, statues, etc.) Experiment at home with materials around the house. Can you work together to create an art installation in your home or garden? If you do, please share pictures!</i>
Music		
<b>Melody and harmony in music</b>	Explore the voices that sing the melodies and the instruments used within the music in this unit to create the harmonies. Learn to sing and play the glockenspiel to different songs and think about how music brings us together.	<i>Are there any songs that bring your family together? Listen to your family and friends' favourite songs. Enjoy singing along or creating dances to them.</i>
<b>Composing and chords</b>	Explore a variety of musical compositions from a range of artists and styles and examine within them different approaches to the writing of music. Children will explore some musical theory and language and take part in performances.	<i>Listen to a variety of musical styles and discuss how those songs may have been composed. A good beginning point for this is the discussion of lyrics and wondering why the composer or artist chose them.</i>
Personal, Social and Health Education		
<b>Celebrating Difference</b>	Learn that cultural differences can sometimes cause conflict, and to understand the term racism. Explore the difference between direct and indirect bullying. Compare their own life with people in the developing world and begin to understand a culture different from their own.	<i>Discuss what the term racism means, and how it may affect them or their friends. Have people been treated badly in TV programmes or in books they have read because of being different? Is this fair? Discuss how it might feel.</i>

## Physical Education

<b>Football</b>	Use different techniques for passing, controlling, dribbling and shooting the ball in games. Apply basic principles of team play to keep possession of the ball. Use marking, tackling and/or interception to improve their defence.	<i>To develop skills: Practise shooting by decreasing the size of the goal. Make yourself an obstacle course and dribble the ball around it. To be inspired: Watch a local football team play.</i>
<b>Netball</b>	Identify the different types of pass used in netball. Apply and practise footwork rules. Use marking and dodging for tactical play. Shoot accurately using a range of strategies.	<i>To develop skills: Play piggy-in-the-middle with your friends and family. Can you vary the type of throw you use? Practise jumping, landing without travelling and pivoting. To be inspired: Research the England netball team.</i>

## Modern Languages

<b>French</b>	<b><u>As-tu un animal?</u></b> Repeat, recognise and attempt to spell the eight nouns (including the correct article for each) for pets in French. Tell somebody in French if they have or do not have a pet. Ask somebody else in French if they have a pet. Tell somebody in French the name of their pet. Attempt to create a longer phrase using the connectives ET ("and") or MAIS ("but").	<i>Play some games to practise the vocabulary for these topics. Go to the website <a href="https://www.lanquageangels.com/schools/">https://www.lanquageangels.com/schools/</a> Click on 'LOGIN' Select 'PUPIL GAMES' Username : WillandPupil Password : WillandEX15 Select which device you will be playing the games on (computer or tablet) Click on 'French' Then select our topics 'As-Tu Un Animal?'</i>  <i>Remember not to play the games until the vocabulary has been introduced in class!</i>
