Vaping on the school grounds:

Vaping is strictly prohibited anywhere on school grounds, including the school drive and entrances.

We have recently observed incidents of adults vaping while on the school site, particularly during drop-off and pick-up times.

We kindly ask parents and carers to support us by:

- Respecting the school's no-vaping policy at all times
- Avoiding vaping anywhere on the school site
- Helping us maintain a safe and positive environment for all members of our school community

Staff are also asked to remain vigilant and address any concerns in line with school procedures.

Thank you for your cooperation and support in helping us uphold a healthy and respectful school environment.

Class and Team Photographs Postponed

Reception Wishlist

As the term is drawing to a close, we are looking ahead to enhancing our provision in Reception even further ready for September. One of the areas that our children love is the music area and we would love to provide the children with more resources to use there and as always, are looking to be as sustainable as possible. Therefore, we would love donations of unwanted/old:

- Saucepans
- Saucepan lids (not glass ones)
- Baking trays
- Colanders (particularly metal ones)
- Large utensils such as wooden spoons, spatulas, whisks etc.

If you are able to donate anything, please either hand it to the Reception teachers on the gate in the morning/afternoon or drop it off at the school office.

Year 2 Visit to Quince Honey Farm

We are happy to inform parents of Year 2 that we have managed to secure a new date for their visit to Quince Honey Farm. This will now take place on Monday, 20th July and parents should have received details via an email earlier today.

Children's Commissioner: *The Big Future*

Please see a message to you and your children from Dame Rachel De Souza, the Children's Commissioner:

I am asking for your support in ensuring children and young people from your school take part here: <http://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial that I hear from children in every school and college, in every community, across the country. Without hearing from your students, their experiences, views and aspirations risk being missing from the national picture that will help shape future policy.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, I can take the voices of your students directly to the centre of government.

Dame Rachel De Souza

During the survey, you or your child will be asked which school they attend. To complete this box you need to put in the school's postcode. EX15 2QL
